MEMORANDUM FOR THE RECORD

STATINTL

SUBJECT: Building Planning Staff Briefing with [REDACTED]
Office of Special Projects, DD/S&T

STATINTL

STATINTL 1. Building Planning Staff officers, [REDACTED] OSP/DD/S&T, on 8 September in Room 5G00 Headquarters Building to discuss a subject relating to technological ecology where the expertise of the Building Planning Staff was required.

STATINTL 2. [REDACTED] and his staff were given a brief outline of the information which BPS has on file on the subject and a series of questions relating to OSP's specific problems were answered. The meetings lasted approximately an hour and it ended with [REDACTED] thanking BPS for the briefing and a request that we coordinate with his staff in any (possible) followup which may develop on the subject. A briefing booklet, prepared by BPS, was left for [REDACTED] to review with his staff.
